# Career Growth Hacks

(to fast-track your success)

*Ford Coleman*

# **1. Master Self-Reflection**

- Regularly assess strengths and weaknesses.
- Keep a journal to track progress.

***Ford Coleman***

# **2. Network With Intent**

- Build genuine connections and follow up.
- Relationships open doors.

*Ford Coleman*

# 3. Own Your Personal Brand

- Be active on LinkedIn to share expertise.
- Engage with industry leaders.

*Ford Coleman*

# 4.

## Seek Out Mentorship

- Learn from experienced professionals.
- Reach out; mentors appreciate eagerness.

*Ford Coleman*

# 5. **Upskill Regularly**

- Take courses to stay industry-relevant.
- Commit to learning each quarter.

***Ford Coleman***

# 6. Embrace Feedback

- Treat feedback as a growth tool.
- Ask for specifics and act on them.

*Ford Coleman*

# **7. Build Resilience Through Challenges**

- Use tough projects to sharpen skills.
- Treat failures as lessons.

***Ford Coleman***

# 8.

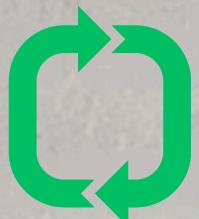

## Be a Solution Finder

- Bring ideas, not just problems.
- Stay curious and creative.
